

CENTRAL UTAH CAMP CREW AVAILABILITY & ASSIGNMENT

[illegible]

Notes: Central Utah Camp Crew Program sent out the first doodle poll on Friday, June 21st. Six crews were made available for assignment on Tuesday, June 24th. During the first week of availability, one crew was assigned to a local T3 Incident. Six crews were available during the second week of availability and zero crews were assigned. During the third week, six crews remained available nationally and none were assigned. During the fourth week, RIFC showed seven crews available for assignment. There zero crews assigned during week four. There were only four crews available for the fifth week of availability.
